Description

The Genoa 5-Piece Dining Set is an elegant expression of a virtue in modern furniture that is both very customizable, and elegant in any configuration. The concrete is available in either gray or ivory white while the four included stools are available in a variety of colors and configurations.

The table and four stools are included in this purchase, with the option of adding two additional stools. If you select the stool color option "Mix-n-Match" when purchasing, we will contact you personally and verify the stool colors you are looking for. Otherwise select the stool color option of your choice, and we'll send it to you straight away! We also include an option to not include the stools and make this a stand alone table.

Set includes one (1) dining table and four (4) stools. Color options and additional seating are available from the drop-down menus.

Please Note: Table comes with three (3) base columns (legs)

- Table is available in either gray or ivory white
- The 4 table bases can be positioned in any variety of configurations
- Stools are available in several vibrant colors
- Two-year limited warranty which covers any manufacturing defects and quality issues.

Product Care Information When your Genoa table, table bases, and chairs are delivered, to protect them we recommend that you seal the concrete with a stone floor wax sealer (for example, Johnson's Floor Wax). Don't be afraid to apply liberally to the surface of your table and chairs, especially your first time. If you do this 3-4 times per year, or about once a month during heavy use, your table will sparkle and shine like new for years to come. Harsh winters are a reality for most folks, and if you anticipate heavy rain, we also recommend a professional grade furniture cover for all your items. Feel free to give us a call if you have any further questions about product care and we'd be happy to point you in the right direction.
