Warranty

The Mallin warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty by many years.

- Iron and aluminum frames are warranted to be free of structural failures or manufacturing defects for 15 years residential / 5 years commercial from the date of purchase
- Frame finishes are warranted to be free of structural failures or manufacturing defects for 7 years residential / 5 years commercial from the date of purchase
- Cushions: Sunbrella® fabric carries a 5 year fade warranty from the manufacturer. Woodard offers a 1 year warranty against defects in workmanship and other materials used in cushion production.

Care and Maintenance

Frame: Simply hose off or wipe down your frame to clean it! Avoid using harsh cleaners, brushes or power washers, which could damage the finish. Should the product get scratched or damaged, the metal will begin to rust. Use Rustoleum spray paint to touch up and prevent rust from spreading.

Cushions & Outdoor Fabric: Cleaning your cushions on a regular basis will help prevent build-up of dirt, which can generate mildew. Simply spot treat stains with mild soap and water, rinse, and allow the fabric to air dry. Tip: Placing a cushion on its side will help the water to drain faster! Never use a commercial washer or dryer to clean your cushions.
