- Slings are warranted to be free of manufacturing defects for 1 year from the date of purchase.

Care and Maintenance

Frame: Simply hose off or wipe down your frame to clean it! Avoid using harsh cleaners, brushes or power washers, which could damage the finish. Should the product get scratched or damaged, the metal will begin to rust. Use Rustoleum spray paint to touch up and prevent rust from spreading.

Sling: Wipe down with a damp cloth using a soap and water mixture every few weeks to prevent stains. To remove mold, rinse down the furniture with water and scrub gently with a brush.
