Short Description

Acapulco 6 Piece Chaise Lounge Set HL-ACA-6CLS-GBB by Harmonia Living

Description

The Acapulco 6 Piece Chaise Lounge Set (HL-ACA-6CLS) by Harmonia Living blends mid-century design with modern funk to create a new standard of comfort and style for your patio. The collection is inspired by woven furniture that was incredibly popular in Central America in the 1950s and '60s, creating seating that is supportive and breathable. This makes the Acapulco Collection ideal for outdoor dining, even in the warmest climates. The lounge is contoured to distribute your weight, allowing maximum restfulness for your entire body. Beyond its comfortable design, the chaise lounge is constructed with a powder-coated steel frame, making it incredibly durable and weather-resistant. The frame is wrapped in a supportive Polyethylene cord, giving the collection its distinctive look. The Acapulco Side Table sports a stylish radial design with a glass top, perfect for resting your favorite summer beverage. For added functionality, the glass top can be removed and replaced with an included cushion to become an equally stylish ottoman. Harmonia Living can be tailored to both Residential and Commercial settings and is committed to delivering exceptional furnishings to your outdoor space.

Warranty

Harmonia Living's warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty for many years.

- Steel Frame: Harmonia Living extends a 2-year residential / 6 month commercial warranty against defects in workmanship and materials that cause structural failure

Care and Maintenance

Frame: Simply hose off or wipe down your frame to clean it! Avoid using harsh cleaners, brushes, or power washers, which could damage the finish. Take extra care when placing your furniture in humid or coastal settings; accumulation of salts and other debris can cause damage to your frame.

Covers & Storage: When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing them upside down, which can trap moisture.
