Short Description

DISC 88" Oval Dining Table OV88TA by Oxford Garden

Description

The 88" Oval Dining Table (OV88TA) by Oxford Garden. This 88-inch, oval dining table matches Oxford Garden's Warwick armchairs, and Chadwick, Classic or Torbay side- and armchairs. Designed to resist most weather conditions, the table top is slatted to allow rain to pass through. Made of shorea, a teak family wood more dense and heavy than teak, the table requires no finishing, and will not rot when left outdoors where rain and sun may damage other lesser quality woods. Left untreated, shorea will weather to a soft warm gray--similar to the weathering of teak. Four untapped legs, sturdy, pre-mounted hardware on the legs, and extra support for the table top add to the piece's durability. In addition, sturdy mortise and tenon construction provide high-quality joinery that will last many years. If you choose to use an umbrella simply knock out the 1 and 5/8-inch diameter, solid wood market umbrella plug.
