#### Care and Maintenance

The Jardinico 9' Hexagon Centerpost Umbrella is easy to care for. Simply hose off to clean or spot treat for stains. To further extend the lifespan of your umbrella, store in a protective cover away from the elements. Avoid using your sunshade during windy weather and try not to force the ribs apart when opening; this could damage your umbrella. If you plan on using your umbrella near salt water or an indoor pool, wipe down regularly to prevent paint blistering. Don't forget to store it ahead of a storm!

#### About the Manufacturer

Jardinico strives to present shade as a style statement. With its more than 15 years of experience designing quality umbrellas, both for residential projects as well as the contract market, the Jardinico Caractere has

become a well-established brand in the outdoor world. Design isn't just what the company does, it's also the very core of who they are. This Belgium based manufacturer prides itself on creating products with modern designs, top quality, maintenance-friendly fabrics and handy opening systems. Made to last, these innovative umbrellas embody elegance and serve as the finishing touch for any outdoor setting.
