## Care and Maintenance

The Jardinico 11.5' Octagon Sidepost Tilt Umbrella w/ Base JCP301-35 is easy to care for. Simply hose off to clean or spot treat for stains. To further extend the lifespan of your umbrella, store in a protective cover away from the elements. Avoid using the tilt function during windy weather and try not to force the ribs apart when opening; this could damage your umbrella. If you plan on using your umbrella near salt water or an indoor pool, wipe down regularly to prevent paint blistering. Don't forget to store it ahead of a storm!

## About the Manufacturer
