Patio Comfort Heaters

Initially, Patio Comfort heaters were manufactured and marketed specifically for restaurants. Afterwards, restaurant customers caught on to the kind of warmth Patio Comfort heaters provided as well as their beauty. Today, thousands of people enjoy Patio Comfort in the privacy of their own homes. Patio Comfort's residential outdoor heaters are perfect for any occasion. Patio Comfort Heaters utilize infrared heat. Infrared heaters heat people and solid objects instead of wasting energy by simply heating the air; This creates a clean and more efficient heating source. The PC02SS propane heaters can be used outdoors year round, even in the rain; thanks to their durable stainless steel construction. When purchasing Patio Comfort heater, there is no excuse not to enjoy eating, sitting or reading on your patio during the winter months.
