Short Description

Infratech 29" Slim Line 1600 Watt 240 Volt Electric Patio Heater SL1624

Description

The Infratech 29" Slim Line 1600 Watt 240 Volt Electric Patio Heater (SL1624) By AEI Corporation. Infratech single element heaters are energy efficient, with wide, polished reflectors that provide uniform heat coverage. Slim Line heaters are available in a variety of wattages and voltages ranging from 1,600 to 4,000 watts and 120 to 240 volts. These stainless steel heaters feature sleek profiles, recessed mounting options, short standoffs and low clearance heights. This makes them great for blending into the background of any setting, while at the same time providing heat for all of your guests.

Inexpensive Patio Heating

Infratech heaters are over 90% energy efficient, UL listed for outdoor and indoor use and are easy and inexpensive to operate. Infratech products are available in a wide variety of models and sizes, to offer you maximum efficiency, versatility, and convenience. Slimline heaters are available in 1,600 watt, 2,400 watt, 3,000 watt and 4,000 watts.

Efficient and Environmentally Friendly Heating

Infrared heaters is the most practical way to add warmth to spaces like patios, terraces, verandas, enclosed areas, or any indoor or outdoor seating where heating air cannot easily be contained and re-circulated. Now there is an eco-friendly way to turn up the ambience with Infratech electric infrared heaters. These low-profile heaters coordinate with many decor styles and offer silent operation and superior performance compared to gas, with no harmful emissions or odors. Infratech elements are rated for near 5,000 hours of continuous use. In many cases, you will find yourself enjoying your heater for years before a replacement would be necessary.

About the Manufacturer

Founded in 1966, AEI has operated under a consistent premise: provide the finest in innovative outdoor cooking and patio heating products to discriminating consumers and commercial customers. AEI is also the only single source of quartz electric, horizontal gas, umbrella domed, Natural and Propane Gas heaters. Their mission has always been simple: supply the perfect heating equipment to enhance any patio then back it up with industry leading warranties and support
