Short Description

Explorer Oceans Ottoman E50498205 by Seasonal Living

Description

The Explorer Oceans Ottoman (E50498205) by Seasonal Living will create a whole new world in your backyard or lounge area. The Explorer Collection combines low-maintenance materials with wanderlust sensibilities for a truly bold, artful assortment. The elegant rope wrapping is made with Polypropylene, which provides a strong, water-resistant hold. A natural Eucalyptus wood frame is comparable to teak in strength and durability, making it an excellent choice for outdoor use. Pull up a chair and indulge in Explorer's airy comfort.

Includes

- One (1) Explorer Oceans Ottoman E50498205

Dimensions

- 24"W x 23"D x 16.5"H (24.5 lbs.)

- Steel and wood frame is made for outdoor use
- Eucalyptus is an extra durable, FSC (Forest Stewardship Council) certified wood
- Like teak, eucalyptus wood is resistant to rot, pests and heat
- Polypropylene rope weave is resistant to staining, mildew, abrasion and sunlight
- Nylon feet glides help protect your deck
- Some assembly required

Warranty

Seasonal Living's limited warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty by many years.

- This product is warranted to be free of manufacturing defects for a period of one (1) year from date of original purchase by the end customer.

Care and Maintenance

Frame: Simply hose off or wipe down your frame to clean it! Avoid using harsh cleaners, brushes, or power washers, which could damage the finish. Take extra care when placing your furniture in humid or coastal settings; accumulation of salts and other debris can cause damage to your frame.

Rope: Seasonal Living crafts their rope furniture out of Polypropylene, which is all-weather and fade-resistant. To clean, simply wash it with a soft brush or sponge with mild soapy water. Rinse well and allow to completely air dry. Do not use solvents or abrasives, or chemical cleaning products that could damage the furniture. Do not pull hard on the material as it can be stretched out of shape.

Eucalyptus Wood: Clean wood frames using mild soapy water and a soft brush or pad to clean away accumulated dirt. Rinse with clean water and allow to dry naturally. When left untreated, eucalyptus will patina to a silvery grey which does not impact the integrity of the wood.

Covers & Storage: When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing them upside down, which can trap moisture.

About the Manufacturer

Having lived in Kenya, Spain, France, Hong Kong, Singapore, Indonesia, and the United Kingdom while working in the financial, marketing and international hospitality trades, Seasonal Living founders were exposed to a myriad of unique in and outdoor living experiences. Inspired by these experiences, they noticed that beautiful, decorative accessories and furnishings were either too expensive or too limited in scope. They saw a market for comfortable, special in and outdoor living accessories that were fresh and affordable. By focusing on functional works of art that blur the line between indoor and outdoor furnishings, Seasonal Living has become the one-stop resource for retailers, landscape architects, spa planners, interior designers, property developers, and the like looking for unique and unusual product lines.
