About the Manufacturer

Having lived in Kenya, Spain, France, Hong Kong, Singapore, Indonesia, and the United Kingdom while working in the financial, marketing and international hospitality trades, Seasonal Living founders were exposed to a myriad of unique in and outdoor living experiences. Inspired by these experiences, they noticed that beautiful, decorative accessories and furnishings were either too expensive or too limited in scope. They saw a market for comfortable, special in and outdoor living accessories that were fresh and affordable. By focusing on functional works of art that blur the line between indoor and outdoor furnishings, Seasonal Living has become the one-stop resource for retailers, landscape architects, spa planners, interior designers, property developers, and the like looking for unique and unusual product lines.
