About the Perpetual Collection

Our Perpetual Collection lightweight concrete furniture is handmade. These products may exhibit color and veining variations by batch and by individual item. If you are ordering multiple pieces, please notify us in writing when you place your order and we will do our best to assemble color finishes that are as consistent as possible. While our Perpetual Collection items are weather-resistant and suitable for indoor and outdoor use, it is the buyer's responsibility to follow all care instructions which are included with the product. Failure to follow care instructions voids warranty.

We successfully introduced this collection in Slate Gray and Ivory White. With strong market response, we successfully added Reclaimed Teak to this collection and we are excited to introduce our new copper-plated Mesh Link Collection. We strive to create new looks not currently in the market you can be assured of fresh designs, innovative material combinations and a unique look for different specifications in or outdoors.

Perpetual looks terrific when blended with our ceramic collections: Fabulous contrasts between high-gloss and matte finishes, muted and bright color palettes let your creativity drive your selections.
