Short Description

The Ribbon Cordless Outdoor LED Table Lamp (308LT002P2BP) by Seasonal Living. The INDA Cordless Outdoor Lighting Collection.

Description

The Ribbon Cordless Outdoor LED Table Lamp (308LT002P2B) by Seasonal Living. The INDA Cordless Outdoor Lighting Collection: A brand new approach to lighting (in or outdoors) from Seasonal Living. Our new outdoor cordless lamps are marvels of gorgeous, forward-thinking design. Crafted to cast a warm golden glow over moonlit terraces and twilight garden parties, INDA Cordless lamps are also the perfect solution for interior designers (and end users) frustrated by a lack of electrical power points. Place a handsome table or floor lamp anywhere you like? That dream is now a reality. Imagine: an affordable indoor/outdoor lighting solution that is stylish, operable in wet and damp conditions, a cinch to move wherever illumination is required and child's play to use and maintain. INDA allows you to set the mood whenever and however you like.

Important Product Information

These items are handmade, so dimensional information is approximate; please notify us at time of order if you have specific size requirements. We reserve the right (at any time) to change, modify or alter any part of this product including but not limited to the glaze in order to improve overall quality. Our handmade ceramic products can be adapted and refined according to the different shapes and dimensions available. Each product is a unique handmade item, as such you should expect variations in glaze finishes. Glazes may show irregularity in the colors and the surface as a result of the handmade work. Pictures, ceramic samples and descriptions are purely indicative. Protect all ceramic items, especially matte finished items, from severe freezing conditions.

Designer Louis A. Lara turned to LED technology to solve a number of outdoor lighting issues, such as trailing, unsightly electrical cords, insufficient power sources, and weak light provided by solar-powered bulbs. INDA's warm white LED lights are easily transferred from lamp base to charging plate and back again, where a fully charged light will radiate for over seven full hours.

Select bases of handmade, high-fired ceramic in gorgeous jewel tones, or low luster, Venetian plaster smooth lightweight concrete (comprising Portland cement, sand, crushed granite, natural spring-fed water and fibrous ramie). Both materials imbue INDA's Cordless table and floor lamp bases with ease of mobility and enough heft to ward off wind gusts. The soft white UV-inhibited Polyethylene lamp shade (perfect for sunny locations) is supported by silvery anodized aluminum frames that fit snugly into the lamp's architecture creating glints of reflective light.

Lara designed the floor lamp with seating in mind, placing the light at just the right height to complement the scale of the furniture, thus creating atmosphere and illumination precisely where you want it. Future incarnations of the INDA collection will include other materials that reflect Seasonal Living's signature palette, expanding the range of mix and match design possibilities for indoor and outdoor living spaces.

About the Manufacturer

Having lived in Kenya, Spain, France, Hong Kong, Singapore, Indonesia, and the United Kingdom while working in the financial, marketing and international hospitality trades, Seasonal Living founders were exposed to a myriad of unique in and outdoor living experiences. Inspired by these experiences, they noticed that beautiful, decorative accessories and furnishings were either too expensive or too limited in scope. They saw a market for comfortable, special in and outdoor living accessories that were fresh and affordable. By focusing on functional works of art that blur the line between indoor and outdoor furnishings, Seasonal Living has become the one-stop resource for retailers, landscape architects, spa planners, interior designers, property developers, and the like looking for unique and unusual product lines.
