About The Manufacturer

Based out of City of Industry in California, American Fyre Designs is known for their expertise and creativity when it comes to outdoor fireplaces, fire tables, fire pits, fire urns, and fire bowls. With a history of over 25 years, the secret to their success is thanks to their talented design and engineering, as well as advanced manufacturing. The use of GFRC (Glass Fiber Reinforced Concrete) by American Fyre Designs creates some of the most beautiful outdoor fire features you'll ever come across.

Disclaimer: At 500 lbs, this product will require the assistance of at least 4 and possibly more people to install. Please be sure you have the appropriate people on site at the time of delivery to move the product as we only ship these with LTL carriers who will drop off the firepit at the curb to your home. ***Southern California customers we may be able to assist with home delivery but please confirm before ordering.
