Short Description

Voro 36" Square Firetable 725 by American Fyre Designs

Description

Elevate your outdoor moments with the Voro 36" Square Firetable (725) by American Fyre Designs, where ambiance, comfort, and style converge seamlessly. Whether you're savouring an al fresco meal or unwinding with a refreshing cocktail, this masterpiece creates the perfect setting while enveloping you in soothing warmth against the evening chill. Meticulously handcrafted from glass fiber reinforced concrete (GFRC), its timeless design showcases both enduring craftsmanship and contemporary elegance. Offering the flexibility of Natural Gas or Propane as fuel options, the Voro Firetable is thoughtfully certified to ANSI Standards, assuring safety and reliability as you indulge in exceptional outdoor moments.

Includes

- One (1) Voro 36" Square Firetable 725
- One (1) Bag of 10 lbs. or 5 lbs. Base Layer Lava Granules LF-10 or LF-5
- Recommended: 10 lbs. of Glass Media to be used in addition to the Base Layer Lava Granules (Sold Separately)

Dimensions

- 36"W x 36"D x 24"H (190 lbs.)
- Star Burner Diameter: 12"

Features

- Handcrafted from innovative Glass Fiber Reinforced Concrete (GFRC) made in USA
- GFRC derives its strength from portion of alkali-resistant glass fiber and acrylic polymer blended into durable concrete to withstand the outdoor elements
- Stainless steel burner is durable and weather-resistant
- Adjustable flame height for comfortable dining
- Available in natural gas or liquid propane
- Can accommodate a 5 gal. LP tank inside the unit (tank not included)
- Gas will shut-off automatically if the thermocouple does not sense the presence of flame, ensuring

increased safety

About Manual Flame Sensing Control System

Match-lit, thermocouple equipped control with flame sensing recognition and manual flame height adjustment. The BTU rating with Manual Flame Sensing Control System is 60,000(NG) or 60,000(LP).

Warranty

American Fyre Designs' warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty for many years.

- Finish and Accessories: Exterior (GFRC) fire features and accessories are warranted for 3 years in a residential setting
- Components: Values, burners, electrical components, and controls (excluding batteries) are warranted for 1 year in a residential setting

Care and Maintenance

Concrete Frame: Concrete is porous and absorbs oils, acids, and chemicals. Clean spills immediately by rinsing or washing gently by hand using clean water and a soft, nonabrasive cloth and allow to air dry. Avoid using harsh cleaners, oily or acidic substances, brushes, or power washers, which could damage the finish.

Covers & Storage: When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing them upside down, which can trap moisture.

About the Manufacturer

Fire brings warmth, glow and serenity, encouraging us to relax and unwind.
