Short Description

Fiesta 54" Round Dining Firetable 775 by American Fyre Designs

Description

Indulge in the ultimate outdoor dining experience with the Fiesta 54" Round Dining Firetable (775) by American Fyre Designs, an epitome of sophistication and functionality. This high-end gas fire table redefines modern aesthetics, boasting a GFRC footprint crowned by a bronze metal base and tabletop, ensuring enduring durability. The mesmerizing 16" star burner illuminates with a radiant, vibrant flame, accentuated by AFD's gas fire log sets for an authentic wood-burning allure. Revel in manual flame sensing control, match lit with a flame sensing thermocouple, and manual flame height adjustment, while choosing between Natural Gas or self-contained propane tank options.

Includes

- One (1) Fiesta 54" Round Dining Firetable 775
- One (1) Bag of 10 lbs. or 5 lbs. Base Layer Lava Granules LF-10 or LF-5
- Recommended: 20 lbs. of Glass Media to be used in addition to the Base Layer Lava Granules (Sold Separately)

Dimensions

- 54"W x 54"D x 28"H (290 lbs.)
- Star Burner Diameter: 12"

Features

- Handcrafted from innovative Glass Fiber Reinforced Concrete (GFRC) made in USA
- GFRC derives its strength from portion of alkali-resistant glass fiber and acrylic polymer blended into durable concrete to withstand the outdoor elements
- Stainless steel burner is durable and weather-resistant
- Adjustable flame height for comfortable dining
- Available in natural gas or liquid propane
- Can accommodate a 5 gal. LP tank inside the unit (tank not included)
- Fiesta firetables include nylon cover for LP tank

- Gas will shut-off automatically if the thermocouple does not sense the presence of flame, ensuring increased safety

About Manual Flame Sensing Control System

Match-lit, thermocouple equipped control with flame sensing recognition and manual flame height adjustment. The BTU rating with Manual Flame Sensing Control System is 60,000(NG) or 60,000(LP).

Warranty

American Fyre Designs' warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty for many years.

- Finish and Accessories: Exterior (GFRC) fire features and accessories are warranted for 3 years in a residential setting
- Components: Valves, burners, electrical components, and controls (excluding batteries) are warranted for 1 year in a residential setting

Care and Maintenance

Concrete Frame: Concrete is porous and absorbs oils, acids, and chemicals. Clean spills immediately by rinsing or washing gently by hand using clean water and a soft, nonabrasive cloth and allow to air dry. Avoid using harsh cleaners, oily or acidic substances, brushes, or power washers, which could damage the finish.

Covers & Storage: When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing them upside down, which can trap moisture.

About the Manufacturer
