Short Description

Amphora Firetable 610 by American Fyre Designs

Description

The Amphora Firetable (610) by American Fyre Designs. The clean lines and minimalist design of the Amphora Fire Table (610) by American Fyre Designs makes it the perfect choice for your modern patio. Made from Handcrafted Glass Fiber Reinforced Concrete (GFRC) and American Made Stainless Steel, this fire table is

tough, sleek, and made to create the perfect ambiance for enjoying an outdoor meal or cocktail while also keeping you warm from the evening chill. Available in both Natural Gas (NG) or Liquid Propane (LP) models. American Fyre Designs products are individually handcrafted and the finishes listed are subject to slight texture and color variation due to the artisan's crafting. Proudly made in City of Industry USA, by American Fyre Designs. Crafted from durable GFRC material, this fire table weighs in at a hefty 450 lbs. Make sure you have a couple of people on hand to help you move it to your desired area. This fire table will arrive via LTL (freight) carrier and is curbside delivery. That means it will be delivered onto your driveway. ***We can provide delivery assistance for Southern California customers but please confirm with us before ordering***
