Manual Flame Sensing Control System

10 ft. Propane Extension Hose

Short Description

Bordeaux Petite 30" Square Fire Bowl 431 by American Fyre Designs

Description

Enhance your outdoor space with the charming Bordeaux Petite 30" Square Fire Bowl (431) by American Fyre Designs. Offering a small and simple design, this versatile masterpiece caters to various uses, perfecting your outdoor ambiance. Crafted with glass fiber reinforced concrete and refractory cement, AFD Firebowls endure the elements, ensuring timeless beauty. The powerful 65,000 BTU star burner ignites bright, beautiful flames over a stunning media mix of fyreglass or lava rocks, creating the ideal atmosphere for your outdoor retreat. With fuel options of Natural Gas or Propane, the Bordeaux Petite Square Firebowl transforms your outdoor moments into a haven of warmth and elegance, making it the perfect addition to your outdoor space.

Includes

- One (1) Bordeaux Petite 30" Square Fire Bowl 431
- One (1) Bag of 10 lbs. or 5 lbs. Base Layer Lava Granules LF-10 or LF-5
- Recommended: 30 lbs. of Glass Media to be used in addition to the Base Layer Lava Granules (Sold Separately)

Dimensions

- 30"W x 30"D x 12.25"H (140 lbs.)
- Star Burner Diameter: 16"

Features

- Handcrafted from innovative Glass Fiber Reinforced Concrete (GFRC) made in USA
- GFRC derives its strength from portion of alkali-resistant glass fiber and acrylic polymer blended into durable concrete to withstand the outdoor elements
- Stainless steel burner is durable and weather-resistant
- Adjustable flame height for comfortable dining
- Available in natural gas or liquid propane
- Cannot accommodate a propane tank inside the unit
- Gas will shut-off automatically if the thermocouple does not sense the presence of flame, ensuring increased safety.

About Manual Flame Sensing Control System

Match-lit, thermocouple equipped control with flame sensing recognition and manual flame height adjustment. The BTU rating with Manual Flame Sensing Control System is 65,000(NG) or 65,000(LP).

Warranty

American Fyre Designs' warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty for many years.

- Finish and Accessories: Exterior (GFRC) fire features and accessories are warranted for 3 years in a residential setting
- Components: Valves, burners, electrical components, and controls (excluding batteries) are warranted for 1 year in a residential setting

Care and Maintenance

Concrete Frame: Concrete is porous and absorbs oils, acids, and chemicals. Clean spills immediately by rinsing or washing gently by hand using clean water and a soft, nonabrasive cloth and allow to air dry. Avoid using harsh cleaners, oily or acidic substances, brushes, or power washers, which could damage the finish.

Covers & Storage: When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing them upside down, which can trap moisture.

About the Manufacturer

Fire brings warmth, glow and serenity, encouraging us to relax and unwind.
