Wildwood 45" Rectangular Cocktail Table (135044) by Lloyd Flanders

Description

The Wildwood 45" Rectangular Cocktail Table (135044) by Lloyd Flanders. Lloyd Flanders premium teak wood is ideal for outdoor furniture because of its high oil content, inherent strength, and tight grain. Teak is naturally resistant to decay and doesn't get brittle with age, adding to its capacity to withstand climate and environmental changes. Along with fighting harsh weather conditions, teak wood prevents fungi and bugs from damaging the material as well!. Only sustainably sourced, FSC certified teak is used in all teak products.
