## Description

The Elements 9 Pc. Dining Set (203307-SET) by Lloyd Flanders. Sometimes the best things in life are the simplest. Nature's core building blocks are fused into this refined furniture collection that is Elements. Tightly-woven wicker forms comforting back-to-basics bodies and arms, while sophisticated stainless steel legs add style and strength. This collection bolsters maximum comfort and durability with its Lloyd Loom fiber and tough Durium paint finishes to look and feel the best in any weather! To top it off, the Sunbrella fabric for the cushions is made to be as comfortable as possible with little maintenance and cleaning needed with an included 5 year warranty. A wide variety of unique pieces offer a wealth of customizable options, exclusive to the Elements collection.

About the Manufacturer

In 1906, Marshall B. Lloyd opened the Lloyd Manufacturing Company in Menominee, Michigan, where he developed a timeless and unique process for creating fine woven furniture. We are proud to continue crafting this heirloom furniture today, in the same facility where it all began.

Thanks to their patented Loom weaving technology, Lloyd Flanders furniture products stand apart from other manufacturers in the industry, offering a level of quality and beauty that is unsurpassed. Lloyd Flanders furniture can be found in many historic places and fine hotels across the United States, such as the Waldorf Astoria in New York and the Minnesota Governor's Mansion. Their gorgeous furniture is also featured in film, television and music.

Lloyd Flanders had been synonymous with premium outdoor furniture for more than 100 years, and their reputation is demonstrated in every piece they craft today.
