100% Virgin Vinyl All-Weather Wicker

Lloyd Flanders® offers a unique selection of vinyl all-weather wicker furnishings. Only 100% virgin vinyl is used in the handcrafted wicker manufactured exclusively for Lloyd Flanders, and UV inhibitors are added to prevent excessive fading.

With vinyl collections available in a variety of distinctive colors, textures, and styles, Lloyd Flanders brings you home furnishings suited for all of today's outdoor living spaces.

Lloyd Flanders® vinyl furniture is made with 100% virgin vinyl and has no added fillers. This assures that our vinyl will remain soft and pliable through many years of use and will hold its shape.

Fully Welded Aluminum Frames

Welded all-aluminum frames are corrosion-resistant and extremely durable. These frames require minimal maintenance and should retain their finish even after years of use.

Care & Maintenance

Lloyd Flanders® all-weather furniture will remain beautiful with minimal care and maintenance. Use a soft brush to remove organic material like dust and leaves. For spot cleaning, the frame, wicker, and cushions can

be washed with a mild detergent and water. Rinse with clean water and dry thoroughly before use.

Lloyd Flanders only uses FSC-certified Brazilian teak. With time, it will weather and form a handsome silver-gray patina. For general cleaning, rinse with fresh water then gently scrub the wet furniture using a soft bristled brush and mild detergent. Rinse with more fresh water to remove any remaining detergent.

About the Manufacturer

In 1906, Marshall B. Lloyd opened the Lloyd Manufacturing Company in Menominee, Michigan, where he developed a timeless and unique process for creating fine woven furniture. To this very day, they are proud to continue crafting this heirloom furniture, in the same facility where it all began.

Thanks to their patented Loom weaving technology, Lloyd Flanders furniture products stand apart from other manufacturers in the industry, offering a level of quality and beauty that is unsurpassed.

Lloyd Flanders furniture can be found in many historic places and fine hotels across the United States, such as the Waldorf Astoria in New York and the Minnesota Governor's Mansion. Their gorgeous furniture is also featured in film, television and music.
