Short Description

Inspired by the tranquility of Asian themes, the 4' Gardenfall water feature that will shortly become a focal point in your home or office in no time.

Description

Inspired by the tranquility of Asian themes, the 4' Gardenfall water feature that will shortly become a focal point in your home or office in no time. The Gardenfall makes a soothing, peaceful sounds of falling water and add a calm, serene atmosphere for any setting in the house. With its dark copper trim and bamboo etched glass, this fountain brings elegance and ambiance in! Smaller than the other Gardenfalls, this 48" floor fountain accents a room just as much, but is perfect for a smaller area.

Features:

- Holds up to 4.5 gallons of water
- Aluminum frame and reservoir
- Dark copper powder coated finish
- Tempered glass with an etched bamboo design
- Easy installation
- Great for indoor or outdoor use
- Comes with polished river rocks, filter, adjustable flow valve and submersible pump
