Short Description

The Serrano Heron floor fountain features a subtle engraving of a beautiful heron, returning you to nature in more than one way! The sound of running water will relax your body and mind, while the sight of a beautiful heron will transform your indoor space into a graceful riverside. This standing fountain features a neutral black onyx powder coated frame with tempered etched glass. Twin halogen accent lights and adjustable water flow enhances your floor fountain experience. Perfect for homes, offices, restaurants, and more!
