Features

- High-Density Polyethylene (HDPE) is a synthetic all-weather wicker made with virgin materials that provides resistance to fading and cracking. Wicker color is infused into the HDPE wicker for lasting durability.

- Wicker is hand-woven onto a thick gauge, powder coated aluminum frame that is lightweight, durable and corrosion resistant.
- Each seat is triple reinforced for lasting durability.
- Decorative teak wood feet. Each seat is triple reinforced for lasting durability.
- Tempered glass top is extra strong and suitable for regular outdoor exposure.
- Plastic foot glides help to protect your patio from scratching and also to help keep the furniture protected from dirt or water that can accumulate on the patio.
- Cushions are made in America using American materials including Sunbrella, Outdura and Revolution performance fabrics which are easy to clean, are fade, stain, mildew resistant and carry a 5 year warranty.
- Machine washable cushion covers feature durable and frustration free YKK brand zippers for easy removal. Top and bottoms of our seat cushions are identical so they can be flipped if a stain gets on the cushion between machine washes.
- All cushions are sewn with PremoBond brand marine-grade UV treated thread made from high-quality mold, mildew, and rot resistant bonded polyester to ensure your cushions won't fall apart at the seams.
- Each seam is finished with overlock stitching for additional durability, reinforcement, weather proofing and to prevent the fraying of internal fabric edges during machine washing.
- American made CertiPUR-US® certified foam cushion inserts which are produced without harmful chemicals such as formaldehyde, ozone depleters, PBDEs, TDCPP or TCEP flame retardants and are free of mercury, lead, and other heavy metals to protect the planet as well as the health of you and your loved ones.
- Thick 4.5" foam seat cushion inserts plus additional layers of 1" of quick-drying Dacron on the top and bottom to help wick away moisture. This combination of layers creates the "Goldilocks" of cushions, firm enough to avoid bottoming out but soft enough for comfort.
- Back cushions are filled with 100% polyester fill fibers for a cloud-like back rest. The insert is sewn shut in a mesh encasing to keep the filling clean and easy to unstuff.
- Cushion ties are sewn to the back of each seat cushion to secure them in place to the frame.
- No Assembly Required

Warranty

Harmonia Living's warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty for many years.

- HDPE Wicker: Harmonia Living extends a 2-year residential / 1-year commercial warranty against structural failure, finish fading, or cracking.
- Cushion: Harmonia Living extends a 2-year residential / 1-year commercial warranty against defects in workmanship and other materials used in cushion production
- Fabric: Sunbrella®, Revolution and Outdura each carry a 5 year warranty. Please refer to the warranty of Sunbrella®, Revolution and Outdura fabrics as the manufacturer's warranty will apply.

Care and Maintenance

HDPE Wicker: To clean HDPE wicker, rinse with cool water, and use a cloth with mild dish soap to wipe down and remove dust and residue. Use cool water to wipe away any soapy residue. Dry with a soft cloth.

Cushions & Outdoor Fabric: Regular cleaning with mild soap and water will help prevent the buildup of dirt, which can generate mildew. Simply spot-treat stains with mild soap and water, rinse, and allow the fabric to air dry. Cushions will dry much faster when removed from the frames and placed on their sides or edges. For more information, please visit the fabric manufacturer's website.

Covers & Storage: When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing them upside down, which can trap moisture.
