Knect is our accent post connectors. They allow you to create fence like additions or straight across living walls with 4x4 pcs of wood. All wood screws included in the box. The Toja Grid offers a modern approach to style & design along with affordability,

## Description

The Toja Grid KNECT 8 Pack for 4x4 Wood (G021068MB1) by Toja Grid. Knect is our accent post connectors. They allow you to create fence like additions or straight across living walls with 4x4 pcs of wood. All wood screws included in the box. The Toja Grid offers a modern approach to style & design along with affordability, quick assembly, and quality craftsmanship. Key Note 4x4 is a size reference. The most common wood is actually 3.5" x 3.5" with rounded edges. Some types have sharp edges or are a true 4"x4" and will not fit. Also note that fresh pressure treated wood or wet wood will be swollen, we advise installing with dry wood

Includes

- Eight (8) KNECT Pergola Post Wall and Railing Bracket For 4 x 4 Wood Posts

Features

- Metal Parts:
  - 14 gauge zinc coated steel
  - 10 year outdoor powder coating
  - 12 wood screws included

Tips

We often take a solo bracket with us when purchasing lumber, slide it on the ends of the wood to ensure proper fit

About the Manufacturer

Toja is a Canadian brand that offers high quality outdoor furniture and pergola systems at great value. Their mission is to provide customers with an inviting and comfortable outdoor environment that they will enjoy for many years. Toja's modern approach to style and design along with affordability is what sets them apart from the competition.
