Description

This amazing fountain features twelve facial surfaces with a beautiful pentagon shape. Water collects on the top before streaming down the sides of the fountain and into the basin. Featured in a stunning Sierra finish, this fountain is sure to impress all.

The fountain is made of the highest grade fiber reinforced concrete (GFRC), which not only reduces weight but is also much more durable than standard cast stone. The artists behind the making of this fountain have simulated the natural texture of the stone to perfection. Installation is very simple and one can be sure to enjoy the beauty and serenity of this fountain with little effort.
