Description

The elegant Saucer Floor Fountain features a soft sierra finish. The fountain's unique design is as captivating as it is unique. With tranquil water noises stemming from the water cascading from the top of the fountain and down the ridges, it is sure to be a great compliment to any outdoor setting.

The fountain is made of the highest grade fiber reinforced concrete (GFRC), which not only reduces weight but is also much more durable than standard cast stone. The artists behind the making of this fountain have simulated the natural texture of the stone to perfection. Installation is very simple and one can be sure to enjoy the beauty and serenity of this fountain with little effort.
