Description

The Canister Floor Fountain is featured in a majestic absolute finish and is very glossy in appearance when water is flowing over it's smooth surface. With tranquil water noises and gentle gurgling at the top of the fountain, this floor fountain is sure to add serenity and beauty to any outdoor setting.

The fountain is made of the highest grade fiber reinforced concrete (GFRC), which not only reduces weight but is also much more durable than standard cast stone. The artists behind the making of this fountain have simulated the natural texture of the stone to perfection. Installation is very simple and one can be sure to enjoy the beauty and serenity of this fountain with little effort.
