Description

This Vertical Canyon Fountain is nothing short of a beautiful work of art. Featured in a beautiful custom finish and an intricate waterfall design, this fountain is sure to bring out the best in any outdoor location. This fountain is designed to sit flush against the wall.

The fountain is made of the highest grade fiber reinforced concrete (GFRC), which not only reduces weight but is also much more durable than standard cast stone. The artists behind the making of this fountain have simulated the natural texture of the stone to perfection. Installation is very simple and one can be sure to enjoy the beauty and serenity of this fountain with little effort.
