Short Description

sku: HNPFheight: 56 in.width: 25 in.depth: 24 in.weight: 172 lbs.color shown: standardNOTE: This is a wall fountain.

Description

This beautiful fountain features a standard finish and wonderful water noise as water cascades from the top basin into the second water level and finally streaming into the honey pot. The elegant and artful design of this fountain will make it a focal point in any outdoor setting. This fountain is designed to stand flush against a wall.

The fountain is made of the highest grade fiber reinforced concrete (GFRC), which not only reduces weight but is also much more durable than standard cast stone. The artists behind the making of this fountain have simulated the natural texture of the stone to perfection. Installation is very simple and one can be sure to enjoy the beauty and serenity of this fountain with little effort.
