Short Description

sku: MNFTNheight: 57 in.width: 30 in.depth: 18 in.weight: 337 lbs.color shown: sierraNOTE: This is a wall fountain.

Description

With six levels of falling water and six different level basins to catch the water, this fountain's water noise is truly wonderful and has a waterfall like presence. Designed with a soft sierra finish and crafted with an artful appeal, this fountain is sure to please all. This fountain is designed to stand flush against a wall.

The fountain is made of the highest grade fiber reinforced concrete (GFRC), which not only reduces weight but is also much more durable than standard cast stone. The artists behind the making of this fountain have simulated the natural texture of the stone to perfection. Installation is very simple and one can be sure to enjoy the beauty and serenity of this fountain with little effort.
