Description

The Small Oblique Floor Fountain is an elegant fountain with impressive water features. Featured in a sierra finish and water falling off of its sharp edges, this fountain is sure to catch the attention of onlookers in any outdoor setting.

The fountain is made of the highest grade fiber reinforced concrete (GFRC), which not only reduces weight but is also much more durable than standard cast stone. The artists behind the making of this fountain have simulated the natural texture of the stone to perfection. Installation is very simple and one can be sure to enjoy the beauty and serenity of this fountain with little effort.
