Description

The Elegante Tower Floor Fountain is true to its' name as it showcases an elegant design with graceful water features. Featured in a beautiful desert rose finish, this fountain is sure to accentuate any outdoor setting.

The fountain is made of the highest grade fiber reinforced concrete (GFRC), which not only reduces weight but is also much more durable than standard cast stone. The artists behind the making of this fountain have simulated the natural texture of the stone to perfection. Installation is very simple and one can be sure to enjoy the beauty and serenity of this fountain with little effort.
