Description

With a bold presence and sharp features, the Spire Floor Fountain is truly a beautiful fountain. Featured in a rare desert rose finish and relaxing water noise, this fountain is sure to be the focal point of any outdoor setting.

The fountain is made of the highest grade fiber reinforced concrete (GFRC), which not only reduces weight but is also much more durable than standard cast stone. The artists behind the making of this fountain have simulated the natural texture of the stone to perfection. Installation is very simple and one can be sure to enjoy the beauty and serenity of this fountain with little effort.
