Description

The Round Scallop Floor Fountain features a gentle ribbed body that creates a magnificent water noise as the water gurgles from the top of the fountain and cascades across it. Displayed here in an elegant ancient finish, this fountain is sure to please all.

The fountain is made of the highest grade fiber reinforced concrete (GFRC), which not only reduces weight but is also much more durable than standard cast stone. The artists behind the making of this fountain have simulated the natural texture of the stone to perfection. Installation is very simple and one can be sure to enjoy the beauty and serenity of this fountain with little effort.
