Description

The elegant Ripple Vase Fountain featured here in a majestic ancient finish is sure to compliment any outdoor setting. With a vase like body and a ribbed surface, a wonderful water noise emits as water cascades from the top of the fountain before pooling in the lower basin. With tranquil water noises and a taste of class, this fountain is sure to be the focal point of any outdoor setting.

The fountain is made of the highest grade fiber reinforced concrete (GFRC), which not only reduces weight but is also much more durable than standard cast stone. The artists behind the making of this fountain have simulated the natural texture of the stone to perfection. Installation is very simple and one can be sure to enjoy the beauty and serenity of this fountain with little effort.
