Description

Delicate round trim and a beautiful custom finish defines this unique Genie Floor Fountain. With the water gurgling from the top of the fountain before free falling off the sides, the ambient water noises that this fountain creates is sure to soothe all.

The fountain is made of the highest grade fiber reinforced concrete (GFRC), which not only reduces weight but is also much more durable than standard cast stone. The artists behind the making of this fountain have simulated the natural texture of the stone to perfection. Installation is very simple and one can be sure to enjoy the beauty and serenity of this fountain with little effort.
